Planning Your Vacations

It's easy! It really comes down to these simple questions:

Where? Picture the perfect setting for your next vacation. Whether it's the majestic Rocky Mountains or the historic streets of Boston, you can find the perfect resort for your next vacation in the Imagine brochure you received or at My-VacationClub.com.

When? Check in any day of the week, any week of the year, for any length of vacation (based on availability). To learn when vacations are available to reserve, log on to My-VacationClub.com and visit the Inventory Release Calendar, or call your Vacation Ownership Advisor Team at 888-MVC-4VOA (888-682-4862).

What type? What size accommodations would work best for your next getaway? If different view types are available, what kind do you prefer? Marriott Vacation Club resorts give you access to everything from cozy studios to spacious 3-bedroom villas and townhouses.

The number of Vacation Club Points required for vacations will vary, based on factors such as how long you would like to vacation, the resort location, time of year and size of villa. To learn how many Vacation Club Points are required, log on to My-VacationClub.com and visit the Vacation Club Points Charts and calculator, or call your Vacation Ownership Advisor Team at 888-MVC-4VOA (888-682-4862).

To make a reservation, log on to My-VacationClub.com or call your Vacation Ownership Advisor Team at 888-MVC-4VOA (888-682-4862).

*The availability of specific amenities may vary by accommodation.

The Exchange Company's ability to confirm a specific exchange request is dependent upon the timeshare interests and use periods available or as provided by the provider of accommodations or services. Therefore, Marriott Vacation Club Destinations Exchange Program cannot guarantee specific resort choices, dates of travel, or types or sizes of accommodations. The earlier an exchange is requested, the better the possibility that a specific request through the Marriott Vacation Club Destinations Exchange Program may be confirmed.

When You Will Receive Vacation Club Points

Your Use Year will typically begin every year on your anniversary date,* which is the first day of the month after your closing. (For example, if you purchased your Vacation Club Points on April 10, and your closing was May 20, your Use Year will begin June 1 each year through May 31. Your Use Year is the period of time when you may use your annual allotment of Vacation Club Points for vacations.) Your annual allotment of Vacation Club Points will be replenished each year, and available for borrowing up to 25 months prior to the first day of each Use Year.

Banking, Borrowing or Transferring Vacation Club Points

If you find that you are not able to use your allotted Vacation Club Points within your Use Year or you need more Vacation Club Points for a vacation, you have options!

Banking Points – You may bank some or all of your Vacation Club Points to be used in the following Use Year. The deadline for Owners to bank Vacation Club Points is up to six months prior to the end of the current Use Year. Banked Vacation Club Points may not be banked again, borrowed back, or transferred to another Owner.

Borrowing Points – You may borrow all or a portion of the Vacation Club Points allocated for a particular Use Year up to 25 months in advance of the beginning of the Use Year you are borrowing from. (For example, if your Use Year begins on May 1, 2019, then on April 1, 2017, you may borrow those Vacation Club Points into your 2018 Use Year.) Once Vacation Club Points are borrowed, if you cancel the vacation for which you borrowed them, these Points may be used to plan another vacation that occurs prior to their original expiration date. However, those borrowed Vacation Club Points can not be banked into a following Use Year or transferred to another Owner.

Transferring Points – You may transfer your Vacation Club Points, excluding banked or borrowed Vacation Club Points, to a different Marriott Vacation Club Destinations Owner or Exchange Program Member. Transferred Vacation Club Points would retain the transferring Owner's Use Year dates. Transferred Vacation Club Points may not be banked, borrowed, transferred again or traded for Marriott Rewards points.

To bank, borrow or transfer Vacation Club Points, visit My-VacationClub.com, or contact your Vacation Ownership Advisor Team at 888-MVC-4VOA (888-682-4862).

*If you are already a Weeks Owner, your anniversary date will remain January 1, regardless of when you purchase your Vacation Club Points.
