\* Certain operating expenses are presented in the budget net of funds estimated to be reimbursed to the Association in 2021, including but not limited to: (i) funds received from MVC Exchange Company to account for housekeeping expenses necessitated by nightly use of accommodations by Marriott Vacation Club Destinations Exchange Program members, and (ii) fees paid to the Association by transient guests who voluntarily elect to receive a daily room cleaning.

\*\* The Marriott Resorts Hospitality Corporation ("MRHC") has been delegated the authority to provide all services incidental to the management of the Condominium, including Owner Services and all property operations. In connection with the performance of those services, all operating expenses will be charged to and paid by the Association to MRHC, including some that may be incurred through affiliates of MRHC. Certain of the operating expenses charged to and paid by the Association to MRHC may reflect economies of scale associated with the number of projects managed by MRHC and the affiliated relationship between MRHC and the developer. The amounts charged for such operating expenses may reflect pricing that is lower than what equivalent services would cost if charged on an independent case-by-case basis.

\*\*\* The amount collected each year will be an estimate of the amount of ad valorem taxes that will be levied against individual timeshare estates. When the final bill is available, the amount collected for each timeshare estate will be adjusted accordingly, and overpayments, if any, may reduce the subsequent year's assessment, subject to other budgetary factors.

\*\*\*\* The Association maintains reserves for deferred maintenance and capital expenditures, based on the estimated useful life and replacement cost of each reserve item. The Association is reserving funds for repairs and replacements over the remaining useful lives of the components based on estimates of current replacement costs. Actual expenditures may vary from the estimated replacement costs.

\*\*\*\*\* International Owners of Timeshare Estates, in addition to other charges assessed pursuant to this Declaration, shall be charged an annual fee (the "International Owner's Surcharge"), which relates to the added costs for postage, personal delivery, increased frequency of and costs associated with long-distance telephone calls, translation costs, additional costs for telefacsimile communications and labor costs for additional, special support staff. Currently, the International Owner's Surcharge is thirty four dollars (\$34.50 U.S.). The International Surcharge may, from time to time, be increased to reflect any increase in the cost of providing these services; provided, however, any such increase shall not exceed one hundred and fifteen percent (115%) of the International Owner's Surcharge in the immediately preceding year, unless approved in advance by the majority of all Owners.

The Estimated Timeshare Plan Operating Budget assumes (i) the conveyance of up to sixty six (66) Timeshare Estates in Buildings 1, 2 & 3 to the Association for maintenance purposes and (ii) the operation of all 132 residential units for the entire fiscal year.

The Owner of a Biennial Timeshare Estate shall own an undivided share Common Elements and of the Common Surplus equal to one-half (1/2) that of an owner of a Timeshare Estate, and such Owner shall also be responsible for a share of the Timeshare Plan Common Expenses equal to one-half (1/2) that of an Owner of a Timeshare Estate.
