Comments:	“My interests in continuing to serve on Timber Lodge are to ensure the Marriott Vacation Club management team has the resources to consistently deliver great vacation experiences and maintain the value of the property while being mindful of the fiduciary responsibility to owners and our common asset. Prior to retiring from Marriott International after 34 years, my position was Chief Customer Officer for Marriott Vacation Club. In addition, I bring 20 plus years of association governance experience as a board member of residential and timeshare developments.”

Name:	Candyce Beneke
Home:	Houston, Texas
Occupation:	Attorney – mostly retired
Comments:	“I would be honored to continue to serve on the Boards of Timber Lodge Timeshare and Condominium Associations. We own at Timber Lodge and have used our time there every year since opening! I have BBA, MBA, and JD degrees, 15 years in corporate business (10 with AT&T), and 15 years as a practicing attorney. I have served as a Director on the Timber Lodge Boards for 15 years, including 9 years as your Board President. I work closely with Board members and the management team. We completed many projects that enhanced owners’ experiences and made significant improvements (capital and operational) that increased our property’s value. In implementing these projects, I considered ways to reduce expenses, save energy, manage rising costs, and keep dues reasonable while maintaining the highest level of service our owners and guests expect. With my previous years of experience on this Board, my business and legal education, and my longtime experience in corporate business and law, I have the unique skills necessary to understand and participate in key operational and financial decisions for our property. As importantly, I have strong integrity and values. Please allow me the privilege to continue serving you.”

Name:	Daniel Craig

Comments:	“Having served seven terms on the Timber Lodge Board, I am very familiar with the resort, the operations team, and the importance of the Board’s role in ensuring that the vacation ownership interests of all owners are maintained and enhanced for many years to come. I offer the perspective of being a weeks owner for over twenty-nine years at multiple Marriott Vacation Club resorts and, in more recent years, being a Vacation Club Destinations Points owner as well. My commitment to you is to continue leveraging fourteen years of experience on this Board - as well as career experience in executive leadership roles with large corporate operations - to do the very best job in representing our community of owners. It would be my privilege to continue serving on the Board at Marriott’s Timber Lodge, Lake Tahoe.”

Comments: "I am an astute business leader skilled in developing and driving corporation goals and initiatives. Over the past 35 years, I have worked with all levels of leadership in large healthcare corporations and associations which will prove valuable in the board member position. I am a strategic thinker and team player which has added to my success in my business career. The reason why I would like to be on the board is to give back to a place where my wife and family enjoy our time. We have had so many great memories and have seen this resort evolve into a great place to make memories. I want to see Timber Lodge evolve into an even greater resort where members and prospective members can't wait to come back year after year.
