Dear Owner:

Greetings from Phoenix! In January, Marriott's Canyon Villas turned 15 years old and with our soft goods villa and public space renovation underway, we are excited for the future.

2019 Highlights

I am pleased to provide an update on several projects the resort team has completed:

- Pool furniture at the Spa Pool was upgraded and includes day beds and cushioned lounge chairs for comfort and relaxation
- Furniture at the Lizard Pool was refreshed which included replacement of lounge chair fabric, umbrellas, canopy beds, and pool ledge loungers to create an elevated pool experience for all ages
- Tree pod cabanas were added to Cholla Courtyard and Lizard Courtyard and offer 360-degree views
- Fire pits were enhanced with automatic self-lighting igniters and timers
- Water hydration stations, with ultraviolet light filtration systems, were installed near the ice machine in all buildings
- Exterior car port lights were installed

Upcoming projects:

- Continued renovation of villa soft goods which includes new couches, coffee table, sheers, carpet, paint, safes, patio furniture, reupholstered dining room chairs and bar stools
- Renovation of the soft goods in the Lobby and Multipurpose room
- Painting of the building exterior and façade repair
- Flagstone areas in Cholla Courtyard, resort sidewalk areas and building entrances will be enhanced
- Planning stage for the Main Pool complex renovation scheduled to commence in January 2020

In addition to these exciting enhancements, construction of a new Sales Gallery, located on the grounds at the south end of the resort, began. With an estimated completion date of May 2020, the building will be an accompaniment to the existing design and architecture and offer a collection of finishes that will balance the new and present theme of Marriott's Canyon Villas.

Beginning August 1, 2019, JW Marriott Desert Ridge Resort and Spa will charge for resort parking. Additional details and rate information is available at the Front Desk.
