NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay Association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial

foreclosure. For liens recorded on and after January 1, 2006, Association(s) may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an Association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the Association(s) may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code) If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part

5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)

(7) Statement of Policies and Practices in Enforcing Lien Rights and Other Legal Remedies.

California Civil Code Section 5310(a)(7) requires that each association describe its current policies and practices for enforcing lien rights or other legal remedies for default in payment of its assessments. We certainly encourage and appreciate prompt payment to avoid our valued Owners being subject to the actions described below.

Assessments and other amounts payable to the Association by the Owners are deemed delinquent if not paid within 15 days of the date due and shall bear interest at a rate of 12% per annum and be subject to a late fee equal to the greater of \$10 or 10% of the delinquent amount. The Association is also entitled to receive its costs of collection from the delinquent Owner. If such delinquency is not paid within 10 days of the delivery by the Association to the Owner of a written demand for payment of such delinquency, or within 100 days after the date of the delinquency if no written demand is made, the Association may elect to pursue recordation of a notice of delinquent assessment and claim of lien on behalf of the Association and thereafter seek foreclosure of the Association's lien, subject to the Association's compliance with the applicable statutory requirements, including providing at least 30 days' notice prior to such recordation. The Association also has the right to pursue other legal remedies, including, but not limited to, suspension of an owner's privileges to use Association property and/or the owner's right to participate in any vote in accordance with the terms and conditions set forth in the governing documents for the Association. For example, the governing documents of Desert Springs Villas Master Association provide that all Owners may be refused the right to use the Association's property if their assessments are delinquent.

Desert Springs Villas Master Association First Restated Bylaws. Article III Membership Assessments and Lien Rights. Section 3.02 ENFORCEMENT; LIEN RIGHTS. For the purpose of enforcing and collecting assessments, this Association shall have the lien rights set forth in Article IV of the Declaration, which lien rights shall be enforceable by the Board in the manner set forth in Article IV of the Declaration. The Board shall also have and be entitled to exercise all other rights and remedies set forth in the Declaration or otherwise provided for at law or in equity.

We encourage you to review the provisions of the Bylaws and Master Declaration noted above for further detail regarding the enforcement powers and remedies afforded to the Association.

(8) Statement of Association's Discipline Policy and Schedule of Penalties for Violations of Governing Documents.

The Board of the Association expects all owners and their guests to adhere to the covenants, agreements and requirements set forth in the governing documents, including the Rules and Regulations and Declaration. To assist the Board of Directors in the enforcement of the provisions of the governing documents, the Board has delegated enforcement authority to the Manager. Any owner or guest who has been advised by the Manager that they are in violation of the governing documents, including the Rules and Regulations and/or the Declaration, will be required to immediately cease and desist any prohibited activity or otherwise take such actions as may be needed to correct such violation. If an owner or his guest, after being notified by the Manager that they are in violation of the governing documents, fails to comply with the Manager's direction, the matter will be referred to the Board for consideration of the assessment of penalties by reason of such person's non-compliance. The owner against whom such action is proposed to be taken has the right to appear before the Board at its next regularly scheduled meeting to contest such action, all as more particularly provided in the Bylaws and the Declaration.

Furthermore, any assessments and other amounts payable to the Association by the Owners are deemed delinquent if not paid within 15 days of the date due and shall bear interest at a rate of 12% per annum and be subject to a late fee of the greater of \$10 or 10% of the delinquent amount.

Desert Springs Villas Master Association Rules and Regulations - NON-SMOKING Smoking is prohibited everywhere on the Master Association Property, except where designated by the Board, and may be changed from time to time. Failure to comply with this Non-Smoking Policy by an Owner or Authorized User may result in a cleaning fee in an amount equal to the lesser of \$250.00 or the maximum amount permitted by applicable law, which shall be a personal charge assessed to the Owner or Authorized User following any applicable procedural requirements.

First Amendment to the Rules and Regulations for Desert Springs Villas Master Association. Section 1 of the Rules and Regulations, "Non-Smoking", shall be amended to add the following new sentences to the end of such section as follows: "As used in these Rules and Regulations, the term 'smoking' or 'smoke' shall mean the carrying or using of a lighted pipe, lighted cigar, or lighted cigarette of any kind, or the lighting of a pipe, cigar, or cigarette of any kind, including, but not limited to, any use of a lighted pipe, lighted cigar or lighted cigarette containing tobacco, marijuana or any other weed, plant, chemical or substance, and includes the use of electronic cigarettes and devices. "Cigarette" includes but is not limited to the definition of "cigarette" as set forth in the California Health and Safety Code §104556, as may be amended, and specifically includes cigarettes containing marijuana and any other weeds, plants, substances or chemicals of any kind, regardless of whether they contain nicotine or tobacco. "Cigar" includes but is not limited to the definition of "cigar" as set forth in the California Health and Safety Code §104550, as may be amended, and specifically includes cigars containing marijuana and any other weeds, plants, substances or chemicals of any kind, regardless of whether they contain nicotine or tobacco. "Electronic cigarette" means an electronic or battery-operated device of any kind, which can be used to deliver nicotine or any other chemical or substance of any kind, whether used, manufactured, distributed, marketed, or sold as an electronic cigarette, an electronic cigar, an electronic cigarillo, an electronic pipe, or

an electronic hookah, as well as any other similar device regardless of delivery mechanism, product name or descriptor.”

Desert Springs Villas Master Association Rules and Regulations - VIOLATION OF RULES AND REGULATIONS. Violations of the Rules and Regulations should be reported in writing to the Manager or President of the Master Association. Violations needing follow-up action may be presented to the Board of the Master Association for appropriate action at its next regularly scheduled meeting or at a special meeting called for this purpose.

Desert Springs Villas Master Association Declaration. Article IV. Assessments. 4.8 REMEDIAL ASSESSMENTS. Pursuant to the Master Declaration, the Board may levy an assessment against any Subdivision Interest to reimburse the Master Association for costs incurred in bringing such Subdivision Interest and its Owner into compliance with provisions of the Master Declaration or the Master Association Rules. Remedial Assessments shall be due ten (10) days after the Board gives written notice thereof to the Owner subject thereto. The provisions of section 4.7 of the Master Declaration with respect to approval of Annual Assessments and Special Assessments shall not apply in the case of Remedial Assessments.

(9) Summary of Dispute Resolution Procedures.

Pursuant to Sections 5310(a)(9) and 5920 of the Davis-Stirling Common Interest Development Act:

(a) Either party to a dispute within the scope of Article 2 of the Davis-Stirling Common Interest Development Act (as described in Section 5900 of the Civil Code) may invoke the following procedure:

(1) The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be in writing.

(2) A member of an association may refuse a request to meet and confer. The association shall not refuse a request to meet and confer.

(3) The board shall designate a director to meet and confer.

(4) The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute. The parties may be assisted by an attorney or another person at their own cost when conferring.

(5) A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the board designee on behalf of the association.

(b) A written agreement reached under this section binds the parties and is judicially enforceable if it is signed by both parties and both of the following conditions are satisfied:

(1) The agreement is not in conflict with law or the governing documents of the common interest development or association.

(2) The agreement is either consistent with the authority granted by the board to its designee or the agreement is ratified by the board.

(c) A member shall not be charged a fee to participate in the process.

Pursuant to Sections 5310(a)(9) and 5965 of the Davis-Stirling Common Interest Development Act, below is a summary of Article 3 of the Act with respect to alternative dispute resolution as a prerequisite to the filing of a civil action.

Neither an association nor a member may file an enforcement action in superior court for declaratory, injunctive or writ relief or for such relief in connection with a claim for monetary damages not in excess of the jurisdictional limits unless the parties have endeavored to submit their dispute to alternative dispute resolution pursuant to Article 3 of the Davis-Stirling Common

Interest Development Act. The provisions of this Article do not apply to a small claims action or to an assessment dispute. Any party to a dispute may initiate the process by serving a Request for Resolution on the other party which includes the items described in Section 5935 of the Civil Code including a brief description of the dispute and a request for alternative dispute resolution. If the party served fails to respond within 30 days of receipt, the request is deemed rejected. If the party served accepts the request, the parties must complete the alternative dispute resolution within 90 days of the initiating party's receipt of such acceptance, unless otherwise extended by written stipulation signed by the parties. At the time of commencement of an enforcement action, the party commencing the action is required to file a certificate with the initial pleading stating that (i) alternative dispute resolution has been completed in compliance with Article 3; (ii) one of the other parties did not accept the terms offered for alternative dispute resolution; and/or (iii) preliminary or temporary injunctive relief is necessary. After an enforcement action is commenced, the matter may still be referred to dispute resolution by written stipulation of the parties. If attorneys' fees may be awarded, the court may consider whether a party's refusal to participate in alternative dispute resolution before commencement of the action was reasonable.

Failure of a member of the association to comply with the alternative dispute resolution requirements of Section 5930 of the Civil Code may result in the loss of the member's right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.
