Dear Marriott's Lakeshore Reserve Owner:

A regular meeting of the Board of Directors of Lakeshore Reserve Condominium Association, Inc. will be held on October 16, 2018, at 9:30 a.m., Eastern Time, at Marriott's Lakeshore Reserve, Stanza Italia Meeting Room, 11248 Lakeshore Reserve Drive, Orlando, Florida 32837.

Please pay particular attention to the Reserve Fee on the enclosed proposed budget. For further explanation, see item 2.A. of the Limited Proxy which was recently distributed to you in the Notice of Annual Meeting package.

The Board of Directors reviews the Association's reserve funding needs on a regular basis and will do so again at this meeting. The goal has been, and remains, to maintain a balanced approach in reserve contributions versus projected expenditures for the Association.

As a member of the Association, your presence and comments are welcome at this meeting. Any comments will be considered by the Board of Directors prior to taking formal action on the proposed budget.

As noted on the Agenda, open budget discussion with Association members is scheduled from 11:15 a.m. to 11:30 a.m., Eastern Time.

If you have any questions or would like any additional information, please contact Louise O'Leary, Director of Finance, by phone at 407-393-6452 or by email at Louise.O'Leary@vacationclub.com.

Sincerely,

Brad Bradford

LAKESHORE RESERVE CONDOMINIUM
2019 Estimated Timeshare Plan Common Expense Budget Notes
PHASE 1A (86 RESIDENTIAL UNITS 4,429 UNIT WEEKS)
For The Period Beginning January 1, 2019 And Ending December 31, 2019

Notes to the 2019 Estimated Operating Budget

1) Florida Law requires the Managing Entity hired by the Association to collect Ad Valorem Taxes assessed by the Orange County Property Appraiser's Office. The exact amount of the taxes levied on each separate Timeshare Estate may vary depending on the value of the timeshare estate and will not be known for certain until November of the year of the assessment. So as to meet the statutory requirement that the Tax Collector's Office only accept "full payment", and so as to have the necessary funds on hand to make payment as soon as possible once the tax bill is received by the Managing Entity in order to receive a discount for early payment, the Managing Entity will bill Owners for their proportionate share of the taxes in January. Accordingly, the amount collected each year will be an estimate of the amount of Ad Valorem Taxes that will be levied against individual Timeshare Estates. When the final bill is available, the amount collected for each Timeshare Estate will be adjusted accordingly, and overpayments, if any, may reduce the subsequent year's assessment, subject to other budgetary factors.

Estimated 2019 Ad Valorem Taxes	AVERAGE	2 BEDROOM TIER	2 BEDROOM DLX	3 BEDROOM TIER
Platinum	\$234.09	\$217.84	\$248.97	\$251.90
Premier Platinum	\$236.77	\$219.54	\$251.19	\$257.23

2) International Owners of Timeshare Estates, in addition to other charges assessed pursuant to the Declaration, shall be charged an annual fee (the "International Owner's Surcharge"), which relates to the added costs for postage, personal delivery, increased frequency of and costs associated with long distance telephone calls, translation costs, additional costs for telefacsimile communications and labor costs for additional special support staff. Currently, the International Owner's Surcharge is \$34.50. The International Owner's Surcharge may, from time-to-time, be increased to reflect any increase in the cost of providing these services; provided, however, any such increase shall not exceed one hundred fifteen percent (115%) of the International Owner's Surcharge in the immediately preceding year, unless approved by a majority of all Owners.

3) Florida Law requires the Association to maintain reserves for deferred maintenance and capital expenditures, based on the estimated useful life and replacement cost of each reserve item. The Association is accumulating funds for repairs and replacements over the remaining useful lives of the components based on estimates of current replacement costs. Actual expenditures may vary from the estimated replacement costs.

- * Roof Replacement - includes both unit roof replacement and common area.
- * Furniture and Fixtures - includes replacement of unit furnishings, equipment, and appliances.
- * Building Painting - includes unit building painting.
- * External Building Maintenance - includes unit building-related equipment items.
- * Pavement Resurfacing - includes pavement resurfacing and striping.
- * Common Area Rehabilitation - provides for site lighting, irrigation systems, and common area maintenance of units.

The estimated lives and estimated replacement cost for each of the components are as follows:

As permitted by chapter 721 of the Florida Statutes, reserve funds may be reallocated between the reserve components by the Board at a duly called meeting.

Components	Estimated Useful Life In Yrs	Estimated Replacement Cost	Estimated Remaining Useful Years	Anticipated Beginning Fund Balance As Of January 1, 2019	Contribution For 2019
Roof Replacement	24	\$2,704,595	16	\$643,975	\$128,789
Furniture and Fixtures	12	\$9,988,125	8	\$1,050,033	\$1,117,261
Building Painting	8	\$573,089	6	\$227,063	\$57,671
External Building Maintenance	12	\$1,821,215	7	\$441,697	\$197,074
Pavement Resurfacing	16	\$681,560	11	\$221,422	\$41,831
Common Area Rehabilitation	12	\$5,214,100	7	\$1,439,796	\$539,186
TOTAL		\$20,982,684		\$4,023,986	\$2,081,812

4) The Marriott Resorts Hospitality Corporation ("MRHC") has been delegated the authority to provide all services incidental to the management of the Condominium, including Owner Services and all property operations. In connection with the performance of those services, all operating expenses will be charged to and paid by the Association to MRHC, including some that may be incurred through affiliates of MRHC. Certain of the operating expenses charged to and paid by the Association to MRHC may reflect economies of scale associated with the number of projects managed by MRHC and the affiliated relationship between MRHC and the developer. The amounts charged for such operating expenses may reflect pricing that is lower than what equivalent services would cost if charged on an independent case-by-case basis.

5) Certain operating expenses are presented in the budget net of funds estimated to be reimbursed to the Association in 2019, including but not limited to: (i) funds received from MVC Trust Owners Association, Inc. and MVC Exchange Company to account for housekeeping expenses necessitated by nightly use of accommodations by MVC Trust members and Marriott Vacation Club Destinations Exchange Program members, and (ii) fees paid to the Association by transient guests who voluntarily elect to receive a daily room cleaning.

The amounts set forth in this budget are estimates only and may be modified prior to the actual commencement of the fiscal year. Insurance, energy and labor costs are calculated based on current rates, and such costs may substantially increase over a short period of time. The Developer cannot predict how changes in the economic, social and political conditions may impact such costs. Purchasers are aware and acknowledge that the budget and, as a result, each purchaser's overall assessment, may increase substantially due to increasing costs, including (without limitation) those described above.

The budget contained in this offering circular has been prepared in accordance with the condominium act and is a good faith estimate only and represents an approximation of future expenses based on facts and circumstances existing at the time of its preparation. Actual costs of such items may exceed the estimated costs, and such changes in cost do not constitute material adverse changes in the offering.

Two of the 86 Residential Units in Phase 1 will be used by Developer for sales models. Each of these two Residential Units will pay Condominium Common Expenses, but will not be liable for Timeshare Plan Common Expenses unless and until a deed is recorded to convey a Timeshare Interest in such Residential Units.

Notes From 2017 Audit: Certain services, including off-site accounting and administration, and reservations, are provided by MRHC and allocated to the Association based on the number of unit weeks, as a percentage of total unit weeks the respective service covers. Marriott Vacations Worldwide Corporation ("MVWC"), the indirect parent company of MRHC, pays all invoices on behalf of the Association, subject to reimbursement by the Association. The net amount due from (to) MVWC at December 31, 2017 and December 30, 2016 was \$25,461 and (\$9,647), respectively.

MRHC collects annual maintenance fees on behalf of the Association. The amount of Maintenance fees receivable due from MRHC at December 31, 2017 and December 30, 2016 was \$274,037 and \$198,954, respectively.
