

Dear Owner:

I would like to wish you, on behalf of the entire team of Marriott's Club Son Antem, a fantastic start into the new decade!

### **Anniversary**

This year we are celebrating the 20<sup>th</sup> anniversary of the resort! I would like to thank you for your support throughout the years. For information on upcoming events to honor the 20<sup>th</sup> anniversary follow us on:

Facebook: <https://www.facebook.com/MarriottsClubSonAntem/>

Instagram: <https://www.instagram.com/marriottsclubsonantem/>

### **Golf**

In 2019 we celebrated the 25<sup>th</sup> anniversary of the East Course with several events throughout the year with special tournaments in May and October, including a summer BBQ for members.

On July 25, 2019, Marriott Vacation Club (MVC) agreed with Orenol, the previous owner of the East Course, to purchase the golf course.

During the months of June, July and August, the East Course will remain closed for renovations and remodeling of the greens.

In the winter months from Mid-November 2020 to February 2021 we will install a new irrigation system at the East course, therefore the golf course will be closed. During this time, there will be some disturbance due to the construction taking place near the villas in certain areas. The West Course will remain open during this time.

### **Resort Team**

We recently celebrated the 25<sup>th</sup> working anniversary of Javier Nuñez, Director of Facilities & Project Management, and Nino, Golf Attendant, who both participated in the opening of the East Course. They are loyal members of our resort family and are always focused on the satisfaction of our Owners and guests.

Please join me in welcoming the newest leaders to our Management Team:

Ana Maria Martin - Director of Room Operations

Ana has a strong background in hospitality. She is originally from Andalucía and has lived on the island for several years. She is responsible for the Front Office, Housekeeping, Activities and Spa Departments.

Almudena Carpintero - Guest Relations, Activities and Spa Manager

Almudena is from Madrid. In March 2017, Almudena started her career with MVC at Marriott's Village d'Ile-de-France where she successfully managed the Front Office.

Eduardo Vera - Assistant Chief Engineer and Loss Prevention Manager

Eduardo is from Malaga. He also began his career with MVC at Marriott's Village d'Ile-de-France.

Victor Obenza - Head Chef at La Terraza

Victor is from Galicia and is a specialist in meats and fish, as well as the Mediterranean kitchen. He and his team will delight the most demanding palates at our restaurant.

## **Project Updates**

Since November 2019, painting the exterior of the villas began and the original colour scheme of the villa buildings is being restored.

Currently we are conducting annual maintenance for each villa. Each villa receives a deep clean and Engineering inspection.

Additional projects in 2020 include the installation of water softeners to improve the water quality in the villas, the change of the bathrooms faucets and updating the outside lightning system to LED.

During your next stay, we invite you to attend the Owners Forum, held every Friday morning at the resort. At this event, a member of the resort leadership team provides information on current and future resort projects.
