Proposals

1. **Reserve Funding Waiver** (Item 2A on your Limited Proxy)

The State of Florida requires condominium associations to include in their annual budgets reserves for capital improvements and deferred maintenance. Under Florida law, the amount to be reserved must be computed using a formula based upon the estimated useful life and estimated replacement cost of each item. However, the State permits the annual waiver or reduction of the statutory reserve contribution with an affirmative vote by the majority of those Owners voting by proxy or in person at a duly called meeting of the Association. Without such a majority Owner vote for waiver or reduction of reserve funding the statutory formula will be followed, which may result in a higher total maintenance fee assessment than if a majority Owner vote is obtained.

Your Board of Directors recommends a “YES” vote for waiver or reduction of the required reserve contribution.

2. **Election of Three (3) Members to the Board of Directors** (Item 2B on your Limited Proxy)

Three (3) Members will be elected to the Board of Directors each to serve a two-year term. See the Candidate Profiles for a summary of candidates.
