Candidate Profiles

The candidates are listed in alphabetical order.

Name: Raymond J. Gerhart
Home: Salem, South Carolina
Occupation: Principal Engineer
Comments: "I have much experience in teaching and implementing quality assurance and customer service processes. Part of my role as principal engineer required overseeing facilities engineering and energy management for the entire site. In addition, was the Safety Manager, facilitating loss prevention training, property insurance reviews, accident investigation and job safety/ergonomic analysis. During my tenure, our site became an OSHA Star facility, recognizing the quality and depth of the safety processes in place. Continuous improvement with goals and measurements were a major part of my career. My spouse and I consider Frenchman's Cove our second home. I have a strong desire to continue improving all aspects of the facility. I commit to provide whatever time is required to ensure the facility continues to provide outstanding and forever lasting memory experience for everyone who visits Frenchman's Cove."

Name: Bill Whelihan
Home: Orlando, Florida
Occupation: Vice President, Resort Operations
Comments: "My family and I are multi-week owners at Frenchman's Cove and have established important family traditions as a result of our ownership. I believe that the quality of the facilities and services at the resort is due to a successful partnership between the board and the resort team. As we continue the evolution of the property, we must continue our proactive management to protect the asset while managing costs. As the current President of the Frenchman's Cove homeowner's association I have a clear understanding how best to achieve this. I would consider it an immense privilege to continue to serve. I am currently a 15-year associate of Marriott. Prior engagements have included time with the Hyatt and Hilton hotel brands. My current position involves leading a team that directly supports the department leaders of the resorts. I am eager to continue to bring this unique perspective to the decision-making table at Frenchman's Cove."
