Dear LabelName,

It's official. You're an Owner. Let me be the first to warmly welcome you to the Marriott Vacation Club® family. Now that your ownership purchase has closed – a world of choice has opened up.

Here's how you can start getting the most out of your vacation ownership:

If you haven't already created your account, use the Owner login at MarriottVacationClub.com to create an account for the Owners-dedicated website. Here you'll be able to explore our vast and diverse collection of premium experiences, get help planning your next vacation, access exclusive Owner resources and find answers to your questions.

Join us for one of our complimentary webinars at VacationClubLearningCenter.com to learn about the different ways you can use your Vacation Club Points to create unforgettable vacation experiences.

Your opportunities to explore the world are now virtually endless, and I'd personally like to share my hope that you and your family will experience lasting vacation memories with us.

Sincerely,

A handwritten signature in cursive script that reads 'Ron Essig'.
