Where? Picture the perfect setting for your next holiday. Whether it's the white sand beaches of Hawaii or the historic monuments of Washington, D.C., you can find the perfect resort for your next vacation at VacationClubAP.com.

When? Check in any day of the week, any week of the year, for any length of stay (based on availability). To learn when holidays are available to reserve, please see page 7, or call your Membership Advisor Team at +65 6877 6088 or at one of the alternate numbers listed on VacationClubAP.com/ContactUs.jsp.

*The availability of specific amenities will vary by accommodation.

What type? What size accommodations would work best for your next getaway? If different view types are available, what kind do you prefer? Marriott Vacation Club resorts give you access to everything from cozy studios to spacious 3-bedroom villas and apartments.

The number of Club Points required for holidays will vary, based on factors such as how long you would like to holiday, the resort location, time of year and size of accommodation. To learn how many Club Points are required, log on to VacationClubAP.com and visit the Club Point Charts page, or call your Membership Advisor Team at +65 6877 6088 or at one of the alternate numbers listed on VacationClubAP.com/ContactUs.jsp.

To make a reservation, log on to VacationClubAP.com** or call your Membership Advisor Team at +65 6877 6088 or at one of the alternate numbers listed on VacationClubAP.com/ContactUs.jsp.

The ability of the Exchange Company to confirm a specific exchange request is dependent upon the timeshare interests and use periods available or as provided by the provider of accommodations or services. Therefore, the Marriott Vacation Club Destinations Exchange Program cannot guarantee specific resort choices, dates of travel, or types or sizes of accommodations. The earlier an exchange is requested, the better the possibility that a specific request through the Marriott Vacation Club Destinations Exchange Program may be confirmed.

Cancellation Policy

Reservations cancelled up to 61 days prior to the arrival date will result in a full refund of Club Points. However, the point premium used for an Advance Priority Reservation will be placed into a Holding Account.

Reservations cancelled between 60 days and 1 day prior to arrival will result in a full refund of Club Points, but they will be placed into a Holding Account. However, the point premium used for an Advance Priority Reservation will be forfeited.

Club Points are completely forfeited for cancellations made on or after the check-in day of a reservation and will also be forfeited in the case of a no-show.

If a reservation is shortened on or after the check-in day of the reservation, the Club Points attributed to the days that were eliminated will be forfeited. If a reservation is shortened prior to the check-in day of the reservation and results in a shorter reservation than would have been permitted at the time the reservation was made, the Club Points restored to the Member will be placed in a Holding Account.

Holding Account

Club Points that are returned to a Holding Account may only be used for reservations up to 60 days in advance of the requested arrival date. Additionally, Club Points in a Holding Account may not be banked, borrowed, transferred or traded for Marriott Rewards points, so they must be used within 60 days of check-in during their original Use Year for one of the following options:

- Marriott Vacation Club Resorts
- Explorer Collection
- Interval International Exchange*

*Club Points in Holding Accounts cannot be used for an exchange credit or pending request with Interval International.

Express Breaks

Express Breaks reservations are paid stays at Club Resort Properties* starting from US\$50 per night that do not require you to use any Club Points.

Here are the additional rules for reservations:

- Reservations must be made 14 days or less before check-in (7 days or less for an unaccompanied guest).
- Reservations must be for 1 – 3 nights and can be used to extend an existing Club Points reservation.
- Reservations are based on availability.
- The Express Breaks fee is set at the current maintenance fee rate per point multiplied by the number of Club Points required for each night stay, with a minimum of US\$50 per night.
- You may have only 1 Express Breaks reservation at a time, but there is no restriction on the number of Express Breaks you can have in one year.

Example

If a 3-night stay at Marriott's Mai Khao Beach - Phuket requires 1,050 Club Points, then the Express Breaks fee for this same timeframe would be the total number of Club Points normally required multiplied by the maintenance fee rate per point:

$$230 + 410 + 410 = 1,050 \text{ (Club Points per night)}$$

$$\text{The Express Breaks fee} = 1,050 \times \text{US\$}0.38365 \text{ (2018 maintenance fee)} = \text{US\$}402.83$$

To make an Express Breaks reservation or to check availability, please contact Member Services.

Tip:

Don't forget that you can still use your Club Points to make a reservation less than 14 days before check-in (subject to availability).

Tip:

If you only know the dates you would like to holiday, but don't know the destination, please contact Member Services and we can suggest options! You can do the same if you know the destination you want to go to, but do not have any dates in mind.

Explore the affiliated resorts by visiting IntervalWorld.com or browsing the Interval International Resort Directory.

In order to participate in the Interval International Exchange Programme, you must maintain a separate membership with Interval International. Your first two years of membership with Interval International are complimentary.

When you are ready to exchange through Interval International, you will want to understand your desired destination’s seasonal demand (as measured by the area’s Travel Demand Index), as well as how many people you would like to accommodate. You may either confirm your holiday or place a request by redeeming your Club Points for a 7-night stay according to the chart below. For example, if you would like to visit Cancun, Mexico, during the season of greatest demand and stay in a 2-bedroom villa, refer to the points equivalency chart below to determine how many Club Points would be required. This chart is also located at VacationClubAP.com and IntervalWorld.com.

When You Will Receive Club Points

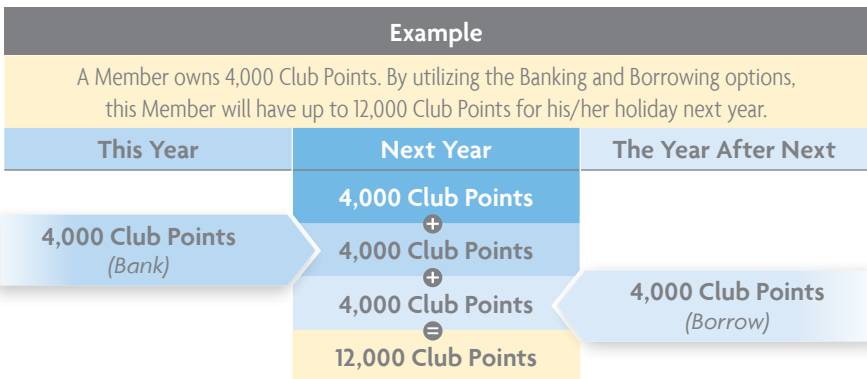

Your Use Year will typically begin every year on your anniversary date,* which is the first day of the month after your closing. For example, if you contracted to purchase your Club Points on 10 August, and your closing was 20 September, your Use Year will begin 1 October each year and run through 30 September. Your Use Year is the period of time when you may use your annual allotment of Club Points for holidays. Your annual allotment of Club Points will be replenished each year, and available for borrowing up to 25 months prior to the first day of each Use Year.

Banking, Borrowing or Transferring Club Points

If you find that you are not able to use your allotted Club Points within your Use Year or you need more Club Points for a holiday, you have options!

Banking Points – As a Select benefit level Member, you may bank some or all of your Club Points to be used in the following Use Year. As a Select benefit level Member, your deadline for banking Club Points is up to six months prior to the end of the current Use Year. Banked Club Points may not be banked again, borrowed back or transferred to another Member.

Borrowing Points – You may borrow all or a portion of the Club Points allocated for a particular Use Year up to 25 months in advance of the beginning of the Use Year you are borrowing from. This is possible because you are permitted to borrow up to 12 months from your planned check-in date, which can be up to 13 months from the day you make your reservation. (For example, if your Use Year begins on 1 May 2020, then on 1 April 2018, you may borrow those Club Points into your 2019 Use Year.) Once Club Points are borrowed, if you cancel the holiday for which you borrowed them, borrowed Club Points may be used to plan another holiday that occurs prior to their original expiration date.

Transferring Use Rights – You may transfer use rights for your Club Points, excluding banked or borrowed Club Points, to a different Marriott Vacation Club, Asia-Pacific Member or Marriott Vacation Club Destinations Exchange Program Member. Transferred use rights would retain the transferring Member’s Use Year dates. Transferred use rights may not be banked, borrowed, transferred again or traded for Marriott Rewards points.

To bank, borrow or transfer use rights, call your Membership Advisor Team at +65 6877 6088 or at one of the alternate numbers listed on VacationClubAP.com/ContactUs.jsp.

*If you are already a Member, any additional Club Points you purchase will have the same anniversary date as your original Club Points.

Tips to Maximize Your Membership

Make your reservations as early as possible. Usage reservations are made on a first-come, first-served basis and are subject to availability, so be sure to plan ahead. Your Club Points will be available for borrowing or trading for Marriott Rewards points 25 months prior to the beginning of your Use Year. If you plan to stay at a Marriott Vacation Club resort, you may make reservations as early as 13 months prior to your holiday's check-in date, subject to your benefit level. Point premium may apply.

Make sure to keep your accounts current. In order to make reservations, you must be current on all monies due, including maintenance fees, Club Dues and loan payments.

Take advantage of your resources. Log on to your account at VacationClubAP.com, where you'll find easy-to-use planning information and booking tools. And don't forget, your Membership Advisor Team is available to answer questions and provide any planning assistance you might need. They can be reached at +65 6877 6088 or at one of the alternate numbers listed on VacationClubAP.com/ContactUs.jsp.
