## Your Australian dream vacation starts here

Marriott Vacation Club® at Surfers Paradise and Surfers Paradise Marriott Resort & Spa are ideally situated on Australia's Gold Coast, which enjoys temperate year-round weather and an average of 300 days of sunshine per year. The Gold Coast is home to Queensland's most popular tourist destinations and offers a diverse selection of retail shops, restaurants, internationally renowned surf beaches, national parks, entertainment districts and several major theme parks and attractions. For guests seeking to further explore the east coast of Australia, the Gold Coast is a perfect base with Brisbane a short drive away and Sydney, Melbourne and the Great Barrier Reef within a one- to two-hour flight.

At the resort, you can swim and snorkel with an array of colorful tropical fish in a spectacular saltwater lagoon or enjoy a rejuvenating treatment in the newly renovated Ruby Spa. Afterward, explore on-site dining options, from the fresh and locally sourced seafood selection at Critique Restaurant to the grandest teppanyaki restaurant at Misono Japanese Steakhouse.

Happy Travels,
