Dear Members,

Our summer newsletter contains some great information on events happening not only around the city and bay area, but also within the confines of our property. Please take a few moments to review all the exciting offerings.

The summer is also an exciting time for our building. The approval of the annexation of the developer's unfinished units into 690 Market Homeowners Association will add 14 whole ownership units to the association. Once these homes are properly registered with the city, which may take up to 60 days, the developer will begin renovations.

In addition, the developer is working on four other projects: adding four additional parking spaces in the garage at the far end of the lower level; moving our employee dining room from the fifth to the sixth floor and moving our accounting offices from the sixth to the fifth floor (as a result of the fifth floor becoming whole ownership); finishing the second floor conference room; and enhancing the garage valet drop off area. Needless to say, you will notice an increase in activity in the garage, but we will make every effort to minimize any inconvenience.

The Members' Lounge continues to be a popular

escape for all Members. We will continue to hold our evening Social Hours and Friday Wine Tastings as well as special events like Movie Night for children and our quarterly Wow Wednesdays throughout the summer. We look forward to seeing you at these events.

Please note, as of August 1, 2015 private vehicles will not be allowed to turn onto Market Street between 3rd Street and 8th Street. This will not affect valet from turning onto Market Street from New Montgomery, however it may increase congestion at that intersection. In short, retrieving your car in front of the building may take a little longer than in the past.

On behalf of all of the Ladies and Gentlemen, thank you for all of your support.

Sincerely,

Kevin Williams

Safe and Secure

The Engineering and Loss Prevention Teams are continuously striving to make 690 Market Street the safest building in San Francisco. Every year we have our fire department inspection that insures we are aligned with all city, county and state National Fire Protection guidelines. This is conducted by a local San Francisco inspector who spends the greater part of a day touring our building and reviewing paperwork to make sure that we are in compliance. Dennis Hunt, our Facilities Manager, is currently designated the High Rise Safety Director, as required by the city.

The Club also passed the Marriot Life Safety inspection.

Through the leadership of James Boyce of Engineering and Nick Gill, our Loss Prevention Supervisor, we conduct weekly safety meetings so that in the event of a fire, an earthquake or any other threat, we are prepared. Mr. Boyce and Mr. Gill are also responsible for coordinating our quarterly fire drills. These gentlemen have also strategically placed signage that will help us respond to our fire panel in our Fire Control Room and signs that will help our associates and the fire department locate our emergency shutoff valves and utility switches.

Our Loss Prevention team protects us by conducting daily property rounds via barcode scans. Barcodes are located throughout the building including all 25 floors, the Fitness Center, the Lobby and fire emergency exit stairwells. Loss Prevention ensures all fire extinguishers and sprinkler standpipes are in working condition on a monthly basis, so if there ever was an emergency our teams are ready.

Aquitaine

Enjoy the wines and cuisine of southwest France in an exquisitely comfortable setting. A joint venture between Andrew Fidelman, Laurent Manrique and Chris Condy, this cozy restaurant/wine bar is inspired by the cuisine and wines of Gascony. *The San Francisco Chronicle* says Aquitaine offers "Best Mussels in the Bay Area" and is one of the "best places to dine around Union Square." Aquitaine offers a large retail selection of wines at 30% savings off list price that represent the grapes of southwest France, Argentina, Chile and the U.S. Don't forget to ask about "The Cave" - the private special events room accommodating up to 40 people.

Aquitaine will host a Happy Hour exclusively for Members in August. Chill out with chillers, wines, and spirits perfect for hot summer days. Stay tuned for more details!

Employee Appointments

We are pleased to announce the appointment of Jared Anderson to Housekeeping Manager and Coby Calhoun to Loss Prevention Officer.

This month Jared celebrates his five year anniversary with Marriott. Originally from northern Virginia, he began his career in Loss Prevention at Crystal City Gateway Marriott in Arlington, Virginia. He helped open Renaissance and Residence Inn Arlington Capital View. In 2012, Jared transferred to San Francisco Marriott Marquis, where he worked as Loss Prevention Lead Officer. In December of 2013, he became Housekeeping Manager.

Jared says he looks forward to learning more about The Ritz-Carlton and hotel management and is very excited for this new opportunity, mentioning that Marriott runs in his family, as his mom was a sales and marketing director in the Washington, DC area, and his sister works in event management for JW Marriott in DC.

He enjoys running and skiing--especially with friends in Tahoe--golfing and trying out new restaurants. He has run the Giants half marathon and is running the San Francisco marathon this month. He also has a passion for travel, having traveled extensively in western and eastern Europe, Honduras, Peru and Bolivia.

Prior to joining us, Coby served as a Loss Prevention officer at San Ramon Marriott. He is attending school to finish his nursing degree. He has served in the US Army Reserves for six years and is stationed at Moffett Field airbase. Coby was born in Berkeley and raised in Richmond and other east bay cities. He currently resides in Livermore.

Here at the Residences, Coby most enjoys the personal connections he has formed with the Residents and Members. He says it is remarkable when a Resident or Member leaves the Ladies and Gentlemen a treat like donuts as a thank you for a long overnight shift, or when friendly folks stop by to ask how our night is going, or when he can greet a Resident who may have a very early morning dog walk.

Outside work, Coby enjoys his family and friends, going to the gym and sports. He loves to barbeque, fish, explore the great outdoors and ride motorcycles. Coby especially loves his mother and daughters, Maya and Malina. Maya runs track and daughter Malina loves everything pink and princess, high tea time and fixing his ouchies.

Jared Anderson and Coby Calhoun

Live Here, Always.
