Proposals

1. **Election of two (2) Members by Unit Agents, to the Board of Managers** (Item 2A on the Unit Agent Directed Proxy)
Election of two (2) Members by Unit Agents, each to serve on the Board for a three-year term. Members will be elected by the Unit Agents at the Annual Meeting.

2. **Proposed Amendment to the Bylaws** (Item 2B on the Unit Agent Directed Proxy)
Provisions added to Article XI, Section 2, “Electronic Communications”.

(a) Records and Signatures. Whenever the governing documents require that a document, record or instrument be “written” or “in writing,” the requirement is deemed satisfied by an electronic record. Whenever the governing documents require a signature on a document, record or instrument, an electronic signature satisfies that requirement only if: (i) the electronic signature is easily recognizable as a secure electronic signature which is capable of verification, under the sole control of the signatory, and attached to the electronic document in such a way that the document cannot be modified without invalidating the signature; or (ii) the Board of Managers reasonably believes that the signatory affixed the electronic signature with the intent to sign the electronic document, and that the electronic document has not been modified since the signature was affixed.

(b) Verification and Liability for Falsification. The Board of Managers may require reasonable verification of any electronic signature, document, record or instrument. Absent or pending verification, the Board may refuse to accept any electronic signature or electronic record that, in the Board’s sole discretion, is not clearly authentic. Neither the Board of Managers nor the Association will be liable to any member or any other person for accepting or acting in reliance upon an electronic signature or electronic record that the Board reasonably believes to be authentic, or rejecting any such item which the Board reasonably believes not to be authentic. Any member or person who negligently, recklessly or intentionally submits any falsified electronic record or unauthorized electronic signature will fully indemnify the Association for actual damages, reasonable attorney fees actually incurred and expenses incurred as a result of such acts.

No Other Amendments. Except as amended by the terms of this Amendment and previous amendments, the By-Laws remain in full force and effect.
