BEACHPLACE TOWERS CONDOMINIUM ASSOCIATION, INC.
2019 Estimated Operating Budget Notes
For The Period Beginning January 1, 2019 And Ending December 31, 2019

Notes to the 2019 Estimated Operating Budget

1) Florida law requires the Managing Entity hired by the Association to collect ad valorem taxes assessed by the Broward County Property Appraiser's Office. The exact amount of the taxes levied on each separate timeshare estate may vary depending on the value of the timeshare estate and will not be known for certain until November of the year of the assessment. So as to meet the statutory requirement that the Tax Collector's Office only accept "full payment", and so as to have the necessary funds on hand to make payment as soon as possible once the tax bill is received by the Managing Entity in order to receive a discount for early payment, the Managing Entity will bill owners for their proportionate share of the taxes in January. Accordingly, the amount collected each year will be an estimate of the amount of ad valorem taxes that will be levied against individual timeshare estates. When the final bill is available, the amount collected for each timeshare estate will be adjusted accordingly, and overpayments, if any, may reduce the subsequent year's assessment, subject to other budgetary factors.

Estimated 2019 Ad Valorem Taxes	AVERAGE
GOLD (WEEKS 18 - 21,35 - 50)	\$69.76
PLATINUM (WEEKS 1 - 17,22 - 34,51 - 52)	\$97.51

2) The Developer entered into an Easement, Maintenance and Operating Agreement ("Shared Facilities Agreement") with BeachPlace Partners, a Florida general partnership ("BeachPlace Partners") dated as of November 21, 1995, for certain reciprocal easements and shared maintenance responsibilities and costs. Upon the recordation of the Declaration of Condominium for BeachPlace Towers Condominium the Association succeeded to all of the Developer's rights and obligations under the Shared Facilities Agreement and any costs and expenses (including amounts for resurfacing) incurred by the Association pursuant to the Shared Facilities Agreement are considered Condominium Common Expenses.

3) International Owner's fee of eighty three dollars and thirty nine cents (\$83.39), thirty four dollars and fifty cents (\$34.50) higher than domestic, includes additional costs for postage, personal delivery, increased frequency of and costs associated with long-distance telephone calls, translation costs, telefacsimile communications and labor costs for additional, special support staff. The fee may, from time to time, be increased to reflect any increase in cost of providing services, provided, however, any such increase shall not exceed one hundred and fifteen percent (115%) of the immediately preceding year's fee, unless approved in advance by the majority of all Owners.

4) The Resort Affiliation Agreement (and thus membership in the Club for every Owner of a Unit Week in a Club Unit) is a Limited Common Element of each Club Unit. Costs assessed by the Club Manager or otherwise incurred by the Association pursuant to the Resort Affiliation Agreement constitute Multisite Timeshare Plan Common Expenses, to be apportioned only among Owners of Timeshare Estates in Club Units.

5) The Marriott Resorts Hospitality Corporation ("MRHC") has been delegated the authority to provide all services incidental to the management of the Condominium, including Owner Services and all property operations. In connection with the performance of those services, all operating expenses will be charged to and paid by the Association to MRHC, including some that may be incurred through affiliates of MRHC. Certain of the operating expenses charged to and paid by the Association to MRHC may reflect economies of scale associated with the number of projects managed by MRHC and the affiliated relationship between MRHC and the developer. The amounts charged for such operating expenses may reflect pricing that is lower than what equivalent services would cost if charged on an independent case-by-case basis.

6) Certain operating expenses are presented in the budget net of funds estimated to be reimbursed to the Association in 2019, including but not limited to: (i) funds received from MVC Trust Owners Association, Inc. to account for housekeeping expenses necessitated by nightly use of accommodations by MVC Trust members, and (ii) fees paid to the Association by transient guests who voluntarily elect to receive a daily room cleaning.

7) The reserve assessments are calculated to provide funds equal to the total estimated deferred maintenance and capital expenditures over the remaining useful lives of the assets. The calculation considers such factors as inflation and earnings on invested funds, and may be adjusted each year for changes in estimates and deferred maintenance performed during the year.

Florida Law requires the Association to maintain reserves for deferred maintenance and capital expenditures, based on the estimated useful life and replacement cost of each reserve item. The Association is accumulating funds for repairs and replacements over the remaining useful lives of the components based on estimates of current replacement costs. Actual expenditures may vary from the estimated replacement costs.

The itemized estimate of the remaining life and estimated replacement of the major components are listed below:

- * Roof Replacement – includes both unit roof replacement and common area.
- * Furniture and Fixtures – includes replacement of unit furnishings, equipment, and appliances.
- * Building Painting – includes unit building painting.
- * External Building Maintenance – includes unit building-related equipment items.
- * Common Area Rehabilitation – provides for site lighting, irrigation systems, and common area maintenance.

Components	Estimated Useful Life In Yrs	Estimated Replacement Cost	Estimated Remaining Useful Years	Anticipated Beginning Fund Balance As Of January 1, 2019	Contribution For 2019
Roof Replacement	22	\$508,996	22	\$285,353	\$8,175
Furniture and Fixtures	12	\$33,659,773	12	(\$770,427)	\$3,645,821
Building Painting	10	\$1,594,770	10	\$508,570	\$87,354
External Building Maintenance	15	\$4,469,546	14	(\$552,460)	\$1,253,504
Common Area Rehabilitation	15	\$14,081,504	5	\$3,127,021	\$1,761,950
TOTAL		\$54,314,589		\$2,598,057	\$6,756,804

As permitted by Florida Statute 721, reserve funds may be reallocated between the reserve components by the Board at a duly called meeting.

Notes From 2017 Audit: Certain services, including off-site accounting and administration, and reservations, are provided by MRHC and allocated to the Association based on the number of unit weeks, as a percentage of total unit weeks the respective service covers. The amount due to MRHC at December 31, 2017 and 2016 was \$55,554 and \$0, respectively. Marriott Vacations Worldwide Corporation ("MVWC"), the current indirect parent company of MRHC, pays all invoices on behalf of the Association, subject to reimbursement by the Association. The net amount due (to) from MVWC at December 31, 2017 and 2016 was (\$40,397) and \$244,589, respectively.

MRHC collects annual maintenance fees on behalf of the Association. The amount of maintenance fees receivable due from MRHC at December 31, 2017 and 2016 was \$982,152 and \$544,974, respectively.
