July 9, 2018

Dear Desert Springs Villas Owners:

I have recently returned from the May Board of Directors Meeting for our Desert Springs Villas Timeshare Association, (DSV). As the President of the Desert Springs Villas Board of Directors, I would like to provide you with some highlights from the meeting.

Our General Manager, Bill Gunderson was awarded the 2017 World Class Leadership award. On behalf of all of the Board Members, I would like to congratulate Bill on this award. It is because of Bill and his team that we have such a desirable resort.

Annual Audit - Our auditors, PricewaterhouseCoopers LLP, audited our financials and issued a good opinion of our operations with no audit adjustments.

Villa Refurbishment - The second phase of the Villa refurbishment has begun, and the estimated completion date is November 2018. Buildings A-J and Y are completed and look amazing.

Exterior Painting - The proposed exterior colors and finishes have been completed on building Y. If you are on property, please take a look at the new design if you come to the resort. Projected start date is 2019.

Landscape - Excess grass is being removed and replaced with Desert Landscape using drip irrigation, in an effort to reduce water consumption. This process started with the walking paths in 2017.

Wage Legislation - California mandated wage increases continue to impact the property. We are always looking for ways to minimize the impact on the association budgets.

Insurance - Premiums are expected to rise by 30% next year due to insurance losses incurred by our carriers resulting from fires, floods and hurricanes. We have reviewed our coverage and are assured that we have adequate coverage.

Unpaid Fees - Our collections remain among the best in Marriott Vacation Club. Our unpaid fees stayed close to 2017 coming in at 2.7% for 2018. This along with the Marriott Vacation Club repurchase program we will continue to keep our unpaid fees low.

Guest Satisfaction Scores (GSS) - Continues to stay at very high levels, exceeding 90%. Our Owners and Guests continue to make our Resort a destination of choice.

Golf Nets - The Board has agreed to install netting to mitigate golf balls entering the West Pool area. Management is working with the JW Marriott Desert Springs Resort & Spa on a proposal to be submitted to the City of Palm Desert for approval.

Board of Directors - Paul Backowski, who served as a board member for 25 years, passed away earlier in 2018. The board decided to honor his years of service with a bench and monument sign dedicated to Paul and his years of service. His place will be taken by James Masterson as a result of the May 18, 2018 election. We welcome Mr. Masterson to the board.

Sincerely,

Shelley Chamberlain

Pursuant to Sections 5310(a)(9) and 5965 of the Davis-Stirling Common Interest Development Act, below is a summary of Article 3 of the Act with respect to alternative dispute resolution as a prerequisite to the filing of a civil action.

- (1) Neither an association nor a member may file an enforcement action in superior court for declaratory, injunctive or writ relief or for such relief about a claim for monetary damages not more than the jurisdictional limits unless the parties have endeavored to submit their dispute to alternative dispute resolution pursuant to Article 3 of the Davis-Stirling Common Interest Development Act.
- (2) The provisions of this Article do not apply to a small claims action or to an assessment dispute. Any party to a dispute may initiate the process by serving a Request for Resolution on the other party which includes the items described in Section 5935 of the Civil Code including a brief description of the dispute and a request for alternative dispute resolution. If the party served fails to respond within 30 days of receipt, the request is deemed rejected.
- (3) If the party served accepts the request, the parties must complete the alternative dispute resolution within 90 days of the initiating party's receipt of such acceptance, unless otherwise extended by written stipulation signed by the parties.
- (4) At the time of commencement of an enforcement action, the party commencing the action is required to file a certificate with the initial pleading stating that
 - (a) alternative dispute resolution has been completed in compliance with Article 3;

- (b) one of the other parties did not accept the terms offered for alternative dispute resolution; and/or (iii)
- (c) preliminary or temporary injunctive relief is necessary. After an enforcement action is commenced, the matter may still be referred to dispute resolution by written stipulation of the parties;
- (d) If attorneys' fees may be awarded, the court may consider whether a party's refusal to participate in alternative dispute resolution before commencement of the action was reasonable.

Failure of a member of the association to comply with the alternative dispute resolution requirements of Section 930 of the Civil Code may result in the loss of the member's right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.
