Dear Marriott's Grande Vista Owner:

A regular meeting of Grande Vista of Orlando Condominium Association, Inc., Board of Directors will be held at 8:30 a.m., Eastern time, on October 22, 2018, at Marriott's Grande Vista, 5925 Avenida Vista, Orlando, Florida 32821.

One purpose of this meeting is to review the Condominium Association's proposed 2019 Maintenance Fee Budget.

The Board of Directors has worked diligently over the years to maintain a fee structure which balances the need for delivering a positive and memorable vacation experience for Grande Vista Owners while searching out efficiencies to limit increases to a reasonable degree. We are proud of the success we have achieved on these two fronts supported by the fact that the resort's Guest Satisfaction Scores continue to reinforce Grande Vista Owners are highly satisfied with their resort experience.

Please pay particular attention to the Reserve Fee on the [enclosed proposed budget](#). As required by Florida Statute, the proposed budget must reflect a reserve contribution which is fully funded. As provided in the Limited Proxy, your Board of Directors recommends a "YES" vote for waiver or reduction of fully funding.

The Board of Directors reviews the Association's reserve funding needs on a regular basis, and will do so again at this meeting. The goal has been and remains to maintain a balanced approach in reserve contributions versus projected expenditures for the Association.

As a member of the Association, your presence and comments are welcome at this meeting. Any comments will be considered by the Board of Directors prior to taking formal action on the proposed budget.

As noted on the Agenda, open budget discussion with Association members is scheduled from 12:30 p.m. to 12:50 p.m., Eastern Time.

GRANDE VISTA OF ORLANDO CONDOMINIUM ASSOCIATION, INC.
2019 Estimated Operating Budget Notes
For The Period Beginning January 1, 2019 And Ending December 31, 2019

Notes to the 2019 Estimated Operating Budget

1) Florida Law requires the Managing Entity hired by the Association to collect ad valorem taxes assessed by the Orange County Property Appraiser's Office. The exact amount of the taxes levied on each separate timeshare estate may vary depending on the value of the timeshare estate and will not be known for certain until November of the year of the assessment. So as to meet the statutory requirement that the Tax Collector's Office only accept "full payment", and so as to have the necessary funds on hand to make payment as soon as possible once the tax bill is received by the Managing Entity in order to receive a discount for early payment, the Managing Entity will bill owners for their proportionate share of the taxes in January. Accordingly, the amount collected each year will be an estimate of the amount of ad valorem taxes that will be levied against individual timeshare estates. When the final tax bill is available, the amount collected for each timeshare estate will be adjusted accordingly, and overpayments, if any, may reduce the subsequent year's assessment, subject to other budgetary factors.

| Estimated 2019 Ad Valorem Taxes | AVERAGE | 1 BEDROOM | 2 BEDROOM | 3 BEDROOM |
|--|----------------|------------------|------------------|------------------|
| GOLD (WEEKS 18-21,35-50) | \$149.18 | \$108.88 | \$149.36 | \$151.09 |
| PLATINUM (WEEKS 1 - 17,22 - 34,51 - 52) | \$177.92 | \$127.86 | \$174.74 | \$198.88 |

2) The Resort Affiliation Agreement (and thus membership in the Club for every Owner of a Timeshare Estate in Club Unit) is a Limited Common Element of each Club Unit. Costs assessed by the Club Manager or otherwise incurred by the Association pursuant to the Resort Affiliation Agreement constitute Multisite Timeshare Plan Common Expenses, to be apportioned only among Owners of Timeshare Estates in Club Units.

3) International Club Fee of eighty three dollars and thirty nine cents (\$83.39), thirty four dollars and fifty cents higher than domestic, includes additional costs for postage, personal delivery, increased frequency of and costs associated with long-distance telephone calls, translation costs, telefacsimile communications and labor costs for additional, special support staff. The fee may, from time to time, be increased to reflect any increase in the cost of providing services, provided, however, any such increase shall not exceed one hundred and fifteen percent (115%) of the immediately preceding year's fee, unless approved in advance by the majority of all Owners.

4) Florida Law requires the Association to maintain reserves for deferred maintenance and capital expenditures, based on the estimated useful life and replacement cost of each reserve item. The Association is accumulating funds for repairs and replacements over the remaining useful lives of the components based on estimates of current replacement costs. Actual expenditures may vary from the estimated replacement costs.

The itemized estimate of the remaining life and estimated replacement of the major components are listed below:

- * Roof Replacement – includes both unit roof replacement and common area.
- * Furniture and Fixtures – includes replacement of unit furnishings, equipment, and appliances.
- * Building Painting – includes unit building painting.
- * External Building Maintenance – includes unit building-related equipment items.
- * Pavement Resurfacing – includes pavement resurfacing and striping.
- * Common Area Rehabilitation – provides for site lighting, irrigation systems, and common area maintenance.

| Components | Estimated Useful Life In Yrs | Estimated Replacement Cost | Estimated Remaining Useful Years | Anticipated Beginning Fund Balance As Of January 1, 2019 | Contribution For 2019 |
|--------------------------------------|-------------------------------------|-----------------------------------|---|---|------------------------------|
| Roof Replacement | 25 | \$7,390,000 | 9 | \$799,708 | \$711,395 |
| Furniture and Fixtures | 24 | \$114,954,235 | 8 | (\$659,597) | \$15,260,343 |
| Building Painting | 10 | \$5,715,922 | 6 | \$31,622 | \$920,395 |
| External Building Maintenance | 30 | \$36,554,660 | 10 | \$141,377 | \$3,537,597 |
| Pavement Resurfacing | 20 | \$1,591,658 | 10 | \$71,016 | \$147,732 |
| Common Area Rehabilitation | 20 | \$16,413,898 | 5 | \$3,152,572 | \$2,576,710 |
| TOTAL | | \$182,620,373 | | \$3,536,698 | \$23,154,172 |

As permitted by Florida Statute 721, reserve funds may be reallocated between the reserve components by the Board at a duly called meeting.

5) The Marriott Resorts Hospitality Corporation ("MRHC") has been delegated the authority to provide all services incidental to the management of the Condominium, including Owner Services and all property operations. In connection with the performance of those services, all operating expenses will be charged to and paid by the Association to MRHC, including some that may be incurred through affiliates of MRHC. Certain of the operating expenses charged to and paid by the Association to MRHC may reflect economies of scale associated with the number of projects managed by MRHC and the affiliated relationship between MRHC and the developer. The amounts charged for such operating expenses may reflect pricing that is lower than what equivalent services would cost if charged on an independent case-by-case basis.

6) Certain operating expenses are presented in the budget net of funds estimated to be reimbursed to the Association in 2019, including but not limited to fees paid to the Association by transient guests who voluntarily elect to receive a daily room cleaning.

The Condominium Property is one of several parcels which comprise the Plat. Pursuant to that certain Vista Declaration of Easements, Covenants and Restrictions, recorded in Official Records Book 5102, Page 2606, of the Public Records of Orange County, Florida, all of the parcels included within the Vista Plat are required to contribute a specified share of the costs of operating and maintaining certain roads, easements and facilities which will benefit all of the parcels within the Vista Plat. The estimated expenses for the Master Declaration Common Facility have been included within the various line items of the above estimated operating budget.

The Component Site Reservation System is a Limited Common Element of each Non-Club Unit. Costs incurred in connection with the maintenance and operation of the Component Site Reservation System constitute Component Site Reservation System Expenses, to be apportioned only among Owners of Unit Weeks in Non-Club Units.

Notes From 2017 Audit: Certain services, including off-site accounting and administration, and reservations, are provided by MRHC and allocated to the Association based on the number of unit weeks, as a percentage of total unit weeks the respective service covers. Marriott Vacations Worldwide Corporation ("MVWC"), the indirect parent company of MRHC, pays all invoices on behalf of the Association, subject to reimbursement by the Association. The net amount due to MVWC at December 31, 2017 and 2016 was \$108,628 and \$15,573, respectively.

MRHC collects annual maintenance fees on behalf of the Association. The amount of maintenance fees receivable due from MRHC at December 31, 2017 and 2016 was \$3,692,418 and \$2,831,733, respectively.
