

July 2019

Dear Marriott's Club Son Antem Holiday Owner,

It is my pleasure to present the 2019 Summer Resort Newsletter in English and in German for your review. In this issue, you'll learn about the latest developments taking place at your home away from home in Mallorca, Spain.

Best regards,

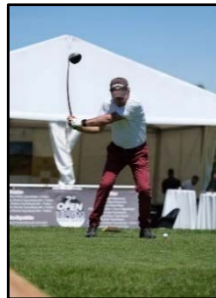

Jan Vogdt

Director of Operations
Marriott's Club Son Antem

Dear Holiday Owners,

Greetings for Marriott's Club Son Antem, your home away from home in Mallorca! This year, we are celebrating the 25th anniversary of the East golf course. We kicked off the celebration on 1 May with our Holiday Owners.

We redesigned the scorecards for the East course with a new style. The daily pin position information was changed; now it's indicated by a specific colour that is reflected on the scorecard.

The new 2019 Taylor Made M6 golf clubs are available to hire with an assortment of different shafts to fit different playing levels.

We now offer a complimentary golf introduction for beginners every Wednesday and an exclusive Owners-Masterclass every Thursday.

Housekeeping

We would like to introduce Montse, one of our back-of-the-house staff members.

Montse is originally from Barcelona and joined the resort 12 years ago. For the last nine years, she has been a member of the Housekeeping department. Montse is currently part of the Spa & Clubhouse Housekeeping team and maintains the building in tip-top condition.

Many Owners appreciate her genuine dedication and friendliness.

Engineering and Grounds

The first half of the year was very active with performing the annual maintenance in the villas and the spa building. Due to the great result of the existing saltwater pool in the 400 street over the last three years, we will implement an upgraded system by changing all villa pools to saltwater during June and July.

Walkways on the West Course and the shortcut between 700 street and Spa Building will be re-surfaced next month.

The nature walk in the resort continues to grow. Below are photographs of the Son Antem cave with the new enclosure, a wildlife information board, overlooking the golf

course and the new bicycle track starting in Calle Cactus, located near the tennis courts.

Front Office

We are always looking for possible opportunities for you to upgrade your vacation experience. In May, we implemented the Privilege Club. This prepaid package includes complimentary breakfast, rental bikes, and discounts in the golf shop, restaurant and Marketplace.

Activities

Marek and the Activities team continue to focus on offering a variety of activities for Owners and guests.

The team offers a wide selection of kid's activities, tennis and golf classes, and nature events.

Popular events, such as the tennis and golf summer camps, will be offered again this year and the Birds of Prey event is always a unique experience.
