Subject: Year Round Resort Facilities Use Programme / Year Round Common Year Usage Program / Local Owner Program (the "Program")

Dear Holiday Owner:

Greetings from Marriott's Playa Andaluz – your home away from home on the Costa del Sol.

We would like to inform all Holiday Owners planning to visit the Resort for the sole purpose of using the Resort Facilities without staying overnight and outside their Designated Week(s) of some important information.

In 2018, updates were made to the Program rules to streamline the usage of the Resort Facilities. Access to the Resort to use the Resort Facilities continues to remain available only to the Primary and Secondary Owners and their direct family members who are registered on the term sheet. All Holiday Owners wishing to visit the Resort outside their Designated Week(s) will need to renew their 2019 member cards.

A fee will be charged as of 2019 for the yearly renewal of member cards. This fee will cover the costs of administering the Program. For the year 2019, the fee is €12,50 per member card. The fee can be paid at the Resort's reception when collecting member cards. Member card fees are excluded from your Maintenance Fees and are to be paid separately by those Holiday Owners who wish to use the Program and access the Resort outside of their Designated Week(s).

We trust that Program users will understand the need for this new fee structure as the cost for the Program needs to be applied to Program users, not to all Holiday Owners. You may refer to the section of your Holiday Owner Purchase Agreement which relates to the Program for details on potential restrictions and amendments to the Program.

Please note that the above does not impact Holiday Owners or their guests occupying an apartment in the Resort. The fee is only applicable for those Holiday Owners who use the Resort Facilities outside their Use Weeks.

Should you have further inquiries, including the steps necessary to renew your member card, please send an email to the following email address:

We are looking forward to seeing you again at Marriott's Playa Andaluz!

Warm regards,

Wiel Gooren
