#### **Report of Independent Auditors**

The Board of Directors of 701 A Street Commercial Condominium Association, Inc.

We have audited the accompanying financial statements of 701 A Street Commercial Condominium Association, Inc. (the "Association"), which comprise the balance sheet as of December 31, 2018 and the related statements of revenues, expenses and changes in fund balance - operating fund, of revenues, expenditures and changes in fund balance - reserve for replacement fund for the years ended December 31, 2018 and 2017, and of cash flows for the year ended December 31, 2018.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of 701 A Street Commercial Condominium Association, Inc. at December 31, 2018, and the results of its operations for the years ended December 31, 2018 and 2017 and its cash flows for the year ended December 31, 2018 in accordance with accounting principles generally accepted in the United States of America.

*PricewaterhouseCoopers LLP, 4040 West Boy Scout Boulevard, Suite 1000, Tampa, FL 33607-5745 T: (813) 229 0221, F: (813) 229 3646, www.pwc.com/us* 

#### **Other Matters**

We previously audited the balance sheet as of December 31, 2017 and the related statements of revenues, expenses and changes in fund balance – operating fund, of revenues, expenditures and changes in fund balance – reserve for replacement fund and of cash flows for the year then ended (not presented herein), and in our report dated June 14, 2018, we expressed an unmodified opinion on those financial statements. In our opinion, the information set forth in the accompanying summarized financial information as of December 31, 2017 and for the year then ended is consistent, in all material respects, with the audited financial statements from which it has been derived.

Accounting principles generally accepted in the United States of America require that the Supplementary Information on Future Major Repairs and Replacements (Unaudited) on page 14 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information provide any assurance.

#### 1. Summary of Significant Accounting Policies

701 A Street Commercial Condominium Association, Inc. (the "Association") was incorporated on November 10, 2016 in the State of California. The purpose of the Association is to manage, operate, and maintain, the condominium project located in San Diego County, California, commonly known as 701 A Street Commercial Condominium (the "Condominium Project"). The Association consists of nine units: four Hotel Units containing guest rooms on floors 12 and 14-27 of the hotel, and five Non-Hotel Units containing other commercial space. The Association's declaration provides that each unit owner has an undivided interest in the facilities and, accordingly, the condominium assets are not recorded in the financial records of the Association. Operations of the Association commenced on November 14, 2016 under the management of Marriott Resorts Hospitality Corporation ("MRHC").

#### **Comparative Information**

While comparative information is not required under accounting principles generally accepted in the United States of America, the Association believes that this information is useful and has included comparative financial information from the financial statements as of and for the year ended December 31, 2017. Within the Balance Sheets and Statements of Cash Flows, prior year balances, by fund, have been condensed for comparative purposes. This summarized information is not intended to be a full presentation in conformity with accounting principles generally accepted in the United States of America, which would require certain additional information. Accordingly, such information should be read in conjunction with the Association's audited financial statements as of and for the year ended December 31, 2017.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Operating Fund**

The Association's fees and earnings from operations, which are restricted for the use and benefit of Association members, are recorded in the Operating Fund.

#### **Reserve for Replacement Fund**

The Association is accumulating funds for future major repairs and replacements. Accumulated funds are held in separate savings accounts and generally are not available for normal operations.

The amount of annual contribution is based on estimates of future needs for repairs and replacements. MRHC, on behalf of the Board of Directors, utilizes a third-party vendor to conduct ongoing studies to estimate the remaining useful lives and the replacement costs of the components of common property. The table included in the unaudited Supplementary Information on Future Major Repairs and Replacements is based on these studies.

The Association is funding for major repairs and replacements over the remaining estimated useful lives of the components based on the study's estimates of current replacement costs and considering amounts previously accumulated in the Reserve for Replacement Fund. Accordingly, a funding requirement of \$1,953,394 has been included in the 2019 budget.

Funds are being accumulated in the Reserve for Replacement Fund based on estimates of future needs for repairs and replacements of common property components. Actual expenditures may vary from the estimated future expenditures, and the variations may be material. Therefore, amounts accumulated in the Reserve for Replacement Fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right, subject to the Board of Directors' approval, to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

On August 18, 2017, the Board of Directors approved a special assessment to fund the beginning Reserve for Replacement Fund balance based on the results of the reserve study that was completed in 2017. As such, a special assessment of \$2,567,572 is recorded in the Statements of Revenues, Expenses and Changes in Fund Balance – Reserve for Replacement Fund for the year ended December 31, 2017.

#### **Cash and Cash Equivalents**

The Association considers money in checking accounts, money market funds, and certificates of deposit with an original maturity of three months or less, at date of purchase, to be cash equivalents. The Association places its cash and cash equivalents with financial institutions in the United States of America. The Federal Deposit Insurance Corporation ("FDIC") provides for deposits at FDIC-insured institutions to be insured up to \$250,000.

#### Investments

Investments consist of certificates of deposit. The Association's certificates of deposit are carried at amortized cost, as the Association has both the intent and ability to hold them until maturity. Certain certificates of deposit are considered depository accounts and are insured by the FDIC.

#### **Fair Value Measurements**

The Association measures certain assets at fair value in accordance with current accounting standards on Fair Value Measurements. The standard defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) as opposed to the price that would be paid to acquire the asset or received to assume the liability (an entry price). A fair value measure should reflect the assumptions that market participants would use in pricing the asset or liability, including the assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset and the risk of nonperformance. A fair value hierarchy is utilized which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels may be used to measure fair value:

- Level 1 Quoted prices in active markets for identical assets or liabilities.
- Level 2 Quoted prices for similar assets and liabilities in active markets or inputs that are observable.
- Level 3 Inputs that are unobservable (for example cash flow modeling inputs based on assumptions).

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The Association had no investments recorded at fair value on a recurring basis at December 31, 2018 or 2017.

#### **Fixed Assets**

Fixed assets, net are stated at cost. Upon disposition or retirement, the cost and related accumulated depreciation are eliminated and any resulting gain or loss is reflected in operations. Maintenance and repairs are charged to expense when incurred; expenditures for renewals and betterments are capitalized. Depreciation is provided utilizing the straight-line method using an estimated useful life of five years.

#### **Unearned Maintenance Fees**

Maintenance fees for all units are receivables as of the beginning of each year. Unearned maintenance fees represent prepayment of the next year's maintenance fees. The fees for the units prior to the Association's year end are classified as revenues; the remainder are considered unearned maintenance fees.

#### **Income Taxes**

The Association accounts for income taxes in accordance with Accounting Standards Codification ("ASC") 740, *Income Taxes*. ASC 740 utilizes the asset and liability method, whereby deferred tax assets and liabilities are recognized for the future tax impact attributable to differences between the financial statement carrying amounts and tax basis of existing assets and liabilities. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply in the years in which the temporary differences are expected to be recovered.

Condominium associations may elect to be taxed as exempt homeowners associations pursuant to Internal Revenue Code Section 528 ("Section 528") if they meet certain income, expenditure, and organizational requirements. Section 528 allows electing condominium associations to be taxed at a 32% rate on their "homeowners association taxable income," which is the excess of the association's gross income, excluding "exempt function income," over related deductions. "Exempt function income" includes membership dues, fees and assessments (less related expenses) from owners of condominium rights to use, or condominium ownership interests in, real property.

The Association made this election for 2017 and plans on making this election for 2018; accordingly, deferred taxes have not been provided for temporary differences related to exempt function income. Should the Association elect not to be taxed as an exempt homeowners association in the future, deferred tax assets and liabilities may be recognized for existing temporary differences at that time, with a corresponding impact on income tax expense.

The Association has evaluated the effects of the guidance provided by generally accepted accounting principles related to accounting for uncertainty in income taxes. The Association has determined that it had no uncertain income tax positions that could have a significant effect on the financial statements for the year ended December 31, 2018. The Association's federal income tax returns for 2016 and 2017 are subject to examination by the Internal Revenue Service, generally for a period of three years after the federal income tax returns were filed.

#### **Accounting Pronouncements**

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* ("ASU 2014-09"), which, as amended, supersedes the revenue recognition requirements in Topic 605, *Revenue Recognition*, as well as most industry-specific guidance, and significantly enhances comparability of revenue recognition practices across entities and industries by providing a principle-based, comprehensive framework for addressing revenue recognition issues. In order for a provider of promised goods or services to recognize as revenue the consideration that it expects to receive in exchange for the promised goods or services, the provider should apply the following five steps: (1) identify the contract with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue when (or as) the entity satisfies a performance obligation. ASU 2014-09, as amended, will be effective for annual reporting periods beginning after December 15, 2018. The new standard may be applied retrospectively or on a modified retrospective basis with the cumulative effect recognized on the date of adoption. The Association will adopt ASU 2014-09, as amended, commencing in fiscal year 2019, on a modified retrospective basis. The Association continues to evaluate the impact that adoption of this accounting standards update will have on its financial statements and disclosures, pending industry clarification on the application to similar entities.

In February 2016, the FASB issued Accounting Standards Update No. 2016-02 – *Leases* (Topic 842) ("ASU 2016-02") to increase transparency and comparability of information regarding an entity's leasing activities by providing additional information to users of financial statements. ASU 2016-02 amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheets and making targeted changes to lessor accounting. The new standard requires a modified retrospective transition approach for all leases existing at, or entered into after, the date of initial application, with an option to use certain transition relief. This update is effective for annual periods beginning after December 15, 2019. The Association continues to evaluate the impact that adoption of this accounting standard update will have on its financial statements and disclosures. In addition, the Association will adopt ASU 2016-02 commencing in fiscal year 2020.

#### 2. Investments

Investments are classified as follows at December 31, 2018 and 2017:

	Decembe	er 31, 2018	Decembe	er 31, 2017
	Amortized Cost	Fair Market Value	Amortized Cost	Fair Market Value
Certificates of deposit				
(held-to-maturity)	\$ 10,598,000	\$ 10,583,237	\$ 5,726,000	\$ 5,718,628
Total	\$ 10,598,000	\$ 10,583,237	\$ 5,726,000	\$ 5,718,628

The contractual maturities of investments held-to-maturity are as follows at December 31, 2018 and 2017:

	Decembe	er 31, 2018	December 31, 2017			
	Amortized	Fair Market	Amortized	Fair Market		
	Cost	Value	Cost	Value		
Due within one year	\$ 8,625,000	\$ 8,619,993	\$ 4,240,000	\$ 4,239,370		
Due between one to five years	1,973,000	1,963,244	1,486,000	1,479,258		
	\$ 10,598,000	\$ 10,583,237	\$ 5,726,000	\$ 5,718,628		

#### 3. Fixed Assets

Fixed assets, net consisted of the following at December 31, 2018 and 2017:

	2018	2017
Property Management System Less: Accumulated depreciation	\$ 29,652 (14,332)	\$ 29,652 (8,401)
	\$ 15,320	\$ 21,251

Depreciation expense was \$5,931 and \$8,401 for the years ended December 31, 2018 and 2017, respectively. The expense is allocated as a component of Front Desk expenses found on the Statements of Revenues, Expenses and Changes in Fund Balance – Operating Fund.

#### 4. Access Agreement

Effective January 1, 2017, the Association entered into a License and Access Agreement with Marriott Ownership Resorts, Inc. ("MORI"). MORI is the owner of Non-Hotel Unit 2 and Non-Hotel Unit 5. Non-Hotel Unit 2 (the "Restaurant") contains a restaurant, bar and lounge, and related supporting areas and Non-Hotel Unit 5 (the "MarketPlace") contains a retail sundry store operated by MORI as an ancillary business. The Association desired to provide its members and guests with access to a Restaurant and Marketplace at the Condominium. In exchange for operating these two amenities, MORI offers a ten percent discount on food and beverage purchases from the Restaurant and MarketPlace. To cover the operational loss per the agreement, the access agreement fee for the years ended December 31, 2018 and 2017 was \$224,000 and \$200,000, respectively, and is recorded in the Statements of Revenues, Expenses and Changes in Fund Balance – Operating Fund.

#### 5. Reciprocal Easement Agreement

In 2016, MORI assigned the Amended and Restated Reciprocal Easement and Operating Agreement and the First Amendment, collectively known as the Reciprocal Easement Agreement ("REA") with Symphony Towers ("Base Building Owner"), to the Association whereas all rights and obligations as Hotel Owner ("Association") were transferred. The rights and obligations of the Association (as defined in the REA) are subject to further limitations as set forth in the Association's governing documents. The REA provides, among other things, the Base Building Owner and Association certain reciprocal easement rights. The Association is responsible for maintaining the hotel property, premises, tower, stairwells and sky lobby, each defined in the REA. Symphony Towers is responsible for maintaining the Base Building as defined in the REA. The expenses associated with maintaining the loading dock, trash compactor, and fire and life safety control systems are shared by the Base Building Owner and Association. The agreement shall continue until terminated as provided in the REA. The Reciprocal Easement Agreement expense for the years ended December 31, 2018 and 2017 was \$65,578 and \$57,974, respectively, and is recorded in the Statements of Revenues, Expenses and Changes in Fund Balance – Operating Fund.

#### 6. Income Taxes

The provision for income taxes consisted of the following for the years ended December 31, 2018 and 2017:

			2018				2017	
	 Total	0	perating Fund	 eserve for placement Fund	 Total	0	perating Fund	eserve for placement Fund
Federal State	\$ 68,708 3,985	\$	40,177 3,103	\$ 28,531 882	\$ 13,951 3,985	\$	10,863 3,103	\$ 3,088 882
	\$ 72,693	\$	43,280	\$ 29,413	\$ 17,936	\$	13,966	\$ 3,970

The difference between the provision for income taxes as presented, and the provision calculated by applying the statutory federal rate to the excess of revenues over expenses/expenditures, primarily relates to state income taxes and the exclusion of exempt function income.

#### 7. Management Agreement

On November 14, 2016, the Association entered into a management agreement with MRHC, for an initial term of ten years with automatic renewal for successive five year periods unless sooner terminated by either party per the terms of the agreement. MRHC is responsible for the management, maintenance and operations of the facilities, in exchange for an annual fee of 15% of the annual budget of the Association, exclusive of the management fee itself. The management fee for the years ended December 31, 2018 and 2017 was \$1,812,820 and \$1,368,008, respectively, and is recorded in the Statements of Revenues, Expenses and Changes in Fund Balance – Operating Fund.

#### 8. Related Party Transactions

Certain services, including off-site accounting and administration are provided by MRHC and allocated to the Association based on the number of units, as a percentage of total units the respective service covers. The amount due from MRHC at December 31, 2018 and 2017 was \$0 and \$21,746, respectively. Marriott Vacations Worldwide Corporation ("MVWC"), the indirect parent company of MRHC, pays all invoices on behalf of the Association, subject to reimbursement by the Association. The amount due to MVWC at December 31, 2018 and 2017 was \$127,054 and \$38,827, respectively.

#### 9. Concentrations of Credit Risk

Financial instruments which potentially subject the Association to concentrations of credit risk consist principally of cash and cash equivalents and investments. The Association maintains its cash and cash equivalents and investments with what the Board of Directors believes to be a high credit quality financial institution. In addition, the Board maintains its investments in a portfolio that the Board believes limits the amount of market exposure.

In an effort to fulfill their fiduciary responsibility to protect and maintain assets for the Association, the Board of Directors for the Association have implemented a formal investment policy statement in reference to all cash, cash equivalents and investable funds for the reserve for replacement and operating funds. The investment policy objectives are safety of principal, adequate liquidity, and maximization of current income, with an emphasis on minimizing exposure of principal loss.

Since the Board of Directors has incorporated an analysis that identifies the use of these funds at specific times and the investments are structured with maturity dates to coincide with these anticipated expenditures, notwithstanding emergencies not under the control of the Board of Directors, the Association is able to and prepared to hold to these investments to their stated maturity dates.

The MVC Trust is a Florida land trust established to hold certain real property, including timeshare interests, utilized as part of the Marriott Vacation Club Destinations vacation ownership plan. As of December 31, 2018, the MVC Trust and MORI held 76% and 24% of the units in the Association, respectively. As of December 31, 2017, the MVC Trust and MORI held 48% and 52% of the units in the Association, respectively.

#### 10. Subsequent Events

The Association has performed an evaluation of subsequent events through April 24, 2019 which is the date the financial statements were issued.

# 701 A Street Commercial Condominium Association, Inc. Supplementary Information on Future Major Repairs and Replacements (Unaudited) Year Ended December 31, 2018

On behalf of the Board of Directors, a reserve study was completed in 2017 to estimate the remaining useful lives and the replacement costs of the components of common property.

The following tables are based on the study with subsequent review by the Board of Directors and present significant information about the components of common property.

	Common Area Reserves					
	Estimated Remaining Useful Lives (Years)	Estimated Current Replacement Costs	2019 Funding Requirement	Components of Fund Balance at December 31, 2018		
Roof replacement External building maintenance Common area rehabilitation	16 13 10	\$ 1,456,794 4,001,349 9,001,591	\$	\$		
		\$ 14,459,734	\$ 700,372	\$ 2,272,362
