Dear Marriott Frenchman's Cove Owners,

Your Board of Directors would like to thank everyone who took the time to participate in the recent Fall 2018 Owner Survey.

The response to the Survey was overwhelming and reached well beyond the response rate that we expected. We had a response limit of 1,000 which was reached and automatically closed the Survey last week. We apologize to anyone who was waiting to reply and was unable to before it closed.

Please be assured that your Board of Directors and resort staff are listening and will be finding new ways of communicating with newsletters and additional owner surveys in the months ahead.

The Board, resort staff, and the management company will now meet to review the data which will be consolidated and shared with you as soon as we can.

Best regards,

Frenchman's Cove Board of Directors
