Use Year

- This is the 12-month period when you can use each year's distribution of Vacation Club Points. Your annual distribution of Vacation Club Points is replenished each year.
- Your Use Year begins on the first day of the month following the month you closed on your purchase of Vacation Club Points.*

* If you are an Enrolled Owner, your Use Year is the calendar year (January 1 - December 31).

Bank Vacation Club Points

- You can bank Vacation Club Points into a subsequent Use Year from the start of your current Use Year until six months prior to the end of your current Use Year.
- Use your banked Vacation Club Points within the following two Use Years.

Trade for Marriott Bonvoy Points*

- You can trade Vacation Club Points for Marriott Bonvoy® points to use for complimentary nights at more than 6,900 hotels worldwide.
- The time frame to trade is 25 months prior to the beginning of your Use Year until three months after the beginning of your Use Year. Once you trade your Vacation Club Points, you will receive your Marriott Bonvoy points within 48 business hours.
- Each Vacation Club Point can be traded for 40 Marriott Bonvoy points. After you trade an initial 250 Vacation Club Points, you can then trade additional Vacation Club Points in increments of five.
- You may trade up to 50% of your annual Vacation Club Points for Marriott Bonvoy points.

* Only Vacation Club Points acquired from the purchase of Beneficial Interests in the Marriott Vacation Club Destinations Trust may be traded for Marriott Bonvoy points. Enrolled Owners may trade eligible week(s) for Marriott Bonvoy points by December 31st of the prior year.
